Mentzer Family Genealogy

It is to be noted that Dr. Mentzers detailed compilation is almost entirely of the descendants of Frederic Mentzer (III), one of six children, three sons and three daughters, of Conrad (II) and Elizabeth (Hibschman) Mentzer. No information is given about their other two sons, John (III) and Conrad (III). These last two may be the forebears of other Mentzers of northern Lancaster County who are not descended from Frederic (III) and Christina (Snyder) Mentzer. George (II) and Christina (Renninger) Mentzer are ancestors of early Mentzers in the New Holland area.

At least one person in each of the first five generations was a member of the Lutheran Church in Warwick (Brickerville). A search of the records of that congregation might provide information about John (III) and Conrad (III). If all of these branches were known completely and added to what we already have, then the Mentzer Family Tree would be enormous.
